

Getting Started

Step One - Meeting Us

One of the most difficult steps to take is visiting a church for the first time. We do our best to reduce the anxiety levels. When you arrive one of our members will greet you at the door and welcome you. We won't ask a lot of questions. We do our best not to smother you. We know that you are here to check us out, so feel free to ask as many questions as you would like. We want you to feel comfortable about your visit.

Second Step - Getting Involved

There are many ways to get involved depending on your needs and desires. There are weekly activities as well as monthly and annual events. From small group gatherings to large group. You choose what your level of involvement will be. When you visit you will be given a welcome pack detailing some of our worship and fellowship opportunities.

Third Step - Life Long Connections

Once you become more involved and feel comfortable you may want to take advantage of our membership program. Becoming a member signifies your commitment to the fellowship and ministry of our church. While there are some opportunities of ministry that don't require membership others require a greater commitment. Membership opens possible avenues to serve on decision making boards and committees. It opens possible avenues to teaching, mentoring, and a partnership in the full ministry of the local, regional, and national Church of the Nazarene.

Membership is not a mandatory part of worship. Membership is an individuals way of saying, "This is my church. This is what I believe and stand for."

Fourth Step - Enjoy

Enjoy the experience of Connecting with a Real God. We believe that you will truly enjoy the journey of getting to know Jesus through the ministry and fellowship at Lapeer Church of the Nazarene.

God has brought together a wonderful group of people to make the journey through life together. We believe you and your family can be apart of this wonderful family called Nazarene's. Come and check us out it just might change your life!
